ZEN

Plattenmaße (nutzbar)

Rohplatten sind in diesen Materialstärken und Formaten erhältlich:

12 mm stark – 2950 x 1300 mm
20 mm stark – 2950 x 1300 mm
30 mm stark – 2950 x 1300 mm

Einige Farben sind auch als Jumboplatte erhältlich. Die Größe und Farbverfügbarkeit erhalten Sie auf Anfrage.

Oberflächenstrukturen

p = poliert / s = suede / v = volcano

suede und volcano Oberflächen sind mikroskopisch gesehen rauer als hochglanzpolierte. Durch den Gebrauch kann es hier zu Fleckenbildung kommen. Der Reinigungsaufwand ist hier höher als bei polierten Oberflächen. Reklamationen zur Oberfläche werden nicht anerkannt. Bitte fordern Sie hierzu unsere Pflegehinweise an!
